A full impact assessment (second stage) <b>is not</b> required	X
Reasons for this conclusion	
<p>A full impact is not required as there is no impact on any protected group as a result of this report – the Pay Policy Statement reflects pay decision already taken, and is simply a statement summarising those decisions. It also has no negative impact on bio-diversity or the Welsh Language. However, it should be noted that, in determining pay and remuneration, the Council complies with relevant employment legislation, including the Equality Act 2010, the Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002, Agency Workers Regulations 2010 and where relevant, the Transfer of Undertakings (Protection of Earnings) Regulations. The Council has sought to ensure that there is no pay discrimination within its pay structures and that pay differentials can be objectively justified primarily through the use of an equality proofed job evaluation mechanism which directly relates basic pay to the requirements, demands and responsibilities of each job role.</p>	

A full impact assessment (second stage) <b>is</b> required
