

# NEATH PORT TALBOT COUNTY BOROUGH COUNCIL

# CABINET

# 1<sup>st</sup> March 2023

# **REPORT OF THE CHIEF FINANCE OFFICER**

## **HUW JONES**

## MATTER FOR DECISION

WARDS AFFECTED: ALL

# CAPITAL STRATEGY AND CAPITAL PROGRAMME 2023/24 TO 2025/26

## Purpose of report

The purpose of this report is to set out the Capital Strategy and Capital Programme for 2023/24 to 2025/26.

## **Capital Strategy**

The Capital Strategy sets out the Capital Programme planning process, governance and financial sustainability considerations. It also needs to be read in conjunction with the Council's Treasury Management Policy and helps to determine the amount of capital investment built into the Council's budget. The Council's Capital Strategy appears in Appendix 1 of this report.

## Updated Capital Programme for 2022/23

The original Capital Programme totalled £70.415m, the updated programme for 2022/23 currently stands at £48.360m with the major variations having been reported to Cabinet and Council as part of the ongoing budget monitoring arrangements.

# Welsh Government Capital Settlement 2023/24

The total Provisional Capital Settlement on an all Wales basis has increased from £768.812m to £925.948m on a like for like basis; with amounts still to be confirmed for a small number of grants in the Education and Welsh Language, Climate Change, Health and Social Services and Economy portfolios. The Un-hypothecated base budget of the Capital Settlement for All Wales has increased from £150.000m to £180.000m.

# Neath Port Talbot – General Capital Funding

The amount of funding included in the 2023/24 settlement is £8.971m with £4.545m paid as a capital grant and the remaining £4.426m treated as supported borrowing with an allowance included in the revenue settlement to pay for the debt charges.

In addition to the funding provided by the WG the Council also budgets for the use of £1.3m per annum to underpin the Capital Programme being made available via capital receipts arising from the sale of council assets.

The Council has also built into its 2023/24 revenue budget funding to support £5m of prudential borrowing recognising the importance of continued capital investment within the County Borough.

The following table sets out the amount of funding available to the Council to distribute to capital projects.

## Projected Capital Programme Funding to underpin the NPT Capital Programme

|                         | 2022/23<br>£'000 | 2023/24<br>£'000 | 2024/25<br>£'000 | 2025/26<br>£'000 |
|-------------------------|------------------|------------------|------------------|------------------|
| WG Base Funding         | 7,488            | 8,971            | 9,000            | 9,000            |
| Capital Receipts        | 1,300            | 1,300            | 1,300            | 1,300            |
| Prudential Borrowing    | 5,000            | 4,000            | 2,750            | 2,750            |
| Total Available Funding | 13,788           | 14,271           | 13,050           | 13,050           |

The table below sets out the distribution of the above mentioned funding to service areas:

| Service                      | 2022/23<br>£'000 | 2023/24                | 2024/25<br>£'000 | 2025/26<br>£'000 |

| Contingency               | 913    | 1,021  | 1,212  | 1,000  |
| Total                     | 13,788 | 14,271 | 13,050 | 13,050 |

The current budget allocations to Education, Leisure and Social Services provide important investment to maintain buildings infrastructure including roofs, heating, lighting etc. The investment in Highways and Neighbourhood improvements will maintain transport, bridges and other structures.

The programme includes an extension of the current 'Catch up, clean up, green up / public realm improvement programme' with a further £750k allocated per annum for the 2024/25 and 2025/26 financial years.

This is in addition to the £4.25m programme of works which has already been agreed and which is currently in the process of being delivered across the county borough.

#### **Delegation arrangements**

Where allocations are proposed for the following service areas:

-Education -Leisure -Pavilions -Health and Safety -Social Services

It is recommended that Cabinet provide delegated authority to the relevant Corporate Director in conjunction with the Director of Environment and Regeneration to determine resource allocations to individual projects.

In relation to the Highways and Engineering works programme and Catch up, Clean Up, Green up programme it is proposed that individual projects should be agreed at the relevant Cabinet Board.

# Additional Capital Funding

In addition to the funding provided by WG the Council's capital programme is supplemented by projects funded from other sources which include:

#### Prudential Borrowing

The Council only enters into prudential borrowing arrangements when it can demonstrate that it is prudent, sustainable and affordable to do so. In order to minimise the revenue costs associated with prudential borrowing the Council will look to first utilise other available sources of funding such as capital receipts.

#### Specific Grants

Funding provided for specific projects from various sources such as European Funding, Welsh Government Departmental Budgets, Heritage Lottery fund etc. As is the nature of this type of funding there is less availability and certainty for the latter years of the Capital Programme.

#### Other sources

Various other smaller sources including specific reserves, private sector investment etc.

## Major Investment Initiatives

The following paragraphs detail some of the major investment initiatives being delivered across the County Borough.

## 21<sup>st</sup> Century Schools

The Council is coming to the latter end of delivering the second phase of 21<sup>st</sup> Century Schools investment known as Band B, this phase will have seen a further c£80.5m invested in new schools.

The current Band B programme includes Ysgol Newydd Swansea Valley – construction of a new English-medium primary school for boys and girls aged 3-11 years. The new build 21<sup>st</sup> Century facility will accommodate circa 630 full-time pupils and 140 part-time nursery age pupils which will provide a stimulating teaching and learning environment in state of the art facilities.

Options around this proposal are currently being consulted on with a final decision expected in the Spring of 2023. This capital programme includes the previously agreed funding allocations however this is not

intended to pre-empt any decision that the Cabinet may take around the proposal.

#### County Borough Regeneration

The Council continues to invest significantly in regeneration projects across the County Borough. The next phase of the re-development of the former Crown Foods Site will commence in 2023/24.

#### City Deal

The UK Government has approved Neath Port Talbot's Business Case 'Supporting Innovation and Low Carbon Growth' and Homes as Power Stations (HAPS).

The 'Supporting Innovation and Low Carbon Growth Programme totals  $\pounds 58.83m$  with  $\pounds 47.7m$  being contributed from the City Deal Grant. The balance of the funding is due from other public sector funding ( $\pounds 5.63m$ ) and private sector funding ( $\pounds 5.5m$ ).

The Homes as Power Stations Programme totals £505.5m with £15m being contributed from the City Deal Grant. The balance of the funding is due from other public sector funding (£114.6m) and private sector funding (£375.9m).

Appendix 2 of this report details the 8 projects that make up the City Deal programme.

#### Shared Prosperity Fund (SPF)

The UK Shared Prosperity Fund (UKSPF) is a central pillar of the UK Government's Levelling Up agenda. The fund provides funding for local investment by March 2025, with all areas of the UK receiving an allocation from the Fund via a funding formula rather than a competition.

The Councils SPF allocation is c£27m and is a mix of revenue and capital funding which aligns to a three year Investment Plan. The capital allocation is c£10m, details of the eight capital schemes are included in Appendix 2 of this report.

#### Levelling Up

The UKLUF is a UK wide competitive capital fund which will invest in infrastructure that improves everyday life across the UK.

The Fund is focused on 3 investment themes:

- Transport investments
- Regeneration and town centre investment
- Cultural investment

A brief outline of the schemes being delivered is set out below;

The LUF Vale of Neath Heritage Corridor Attractor Project will deliver transformational investment in visitor infrastructure at Gnoll Estate Country Park and Waterfall Country Pontneddfechan. The projects include investment in visitor infrastructure (such as car parking, EV charging, public toilets etc.), new visitor accommodation, public realm improvements and the safeguarding and interpretation of heritage assets.

# Impact of future developments and schemes

The capital programme as outlined in this report reflects known planned expenditure and financing. It is clear however that there are significant potential developments which are currently under consideration which may have a significant effect on the Council's capital programme and capital expenditure during the period covered by this report. There will be a requirement in future years to make specific financial provision in the Council's Revenue Budget and Capital Programme to fund such investments.

The capital programme is updated and approved as part of the quarterly budget monitoring process and any additional commitment approved by Council will be incorporated as approved.

## **Summary**

The Council places great emphasis on the importance of capital investment as a means of regenerating our Communities and providing modern and safe buildings and infrastructure. Capital investment does not only lead to improved facilities and services but creates jobs and economic benefits for the citizens of Neath Port Talbot.

Members will note that the Council is investing £53.680m in 2023/24 and when additional external funding from 21<sup>st</sup> Century Schools, City Deal and other sources are included it is projected that the total capital investment for 2023/24 is £119.053m.

The total capital budget over the next three years will be over  $\pm 190.517m$ . Details of the individual projects being delivered can be found in Appendix 2 of this report.

## **Financial Impact**

All financial impacts are detailed within the body of the report. Additional revenue and capital funding provision will need to be built into future years' budgets once project confirmation and external grant funding are confirmed.

#### Integrated Impact Assessment

This report does not require its own Integrated Impact Assessment (IIA). However, as individual projects are being developed, the requirement for individual IIA's will be considered and completed as necessary. The Council will ensure that all capital investment is in line with legislation and best practice and aim to improve sustainability on our infrastructure.

#### Workforce Impacts

The capital funding meets the cost of a number of posts across the Council.

## Legal Impacts

There are no legal impacts arising from this report.

#### **Risk Management**

Many of the works included in the capital programme alleviate/mitigate risks faced by the Council. The capital programme is seen as an important part of the Council's risk management processes. There are significant risks which may require a future revision of the capital programme. In particular due to:-

- Urgent capital maintenance requirements
- Additional costs arising from any additions to the capital programme
- Capital financing charges arising from additional unsupported borrowing which cannot be met from existing revenue budgets

- A reduction in the availability of external grants to supplement the Council's own funding of the capital programme
- Capacity to deliver the Capital Programme Projects

#### **Consultation**

There is no requirement under the Constitution for external consultation on this item.

# **Recommendations**

It is recommended that Members commend to Council the approval of:

- The Capital Strategy.
- The Capital Programme for 2023/24 to 2025/26 as detailed in Appendix 2 to this report.
- > The delegation arrangements as set out in this report

## Reasons for proposed decision

To approve the Authority's Capital Programme in line with the Constitution.

## Implementation of decision

The decision is proposed for implementation after consideration and approval by Council.

# **Appendices**

Appendix 1 - Capital Strategy Appendix 2 - Capital Programme 2023/24 to 2025/26.

# Capital Strategy

## Purpose of the Capital Strategy

The Capital Strategy is intended to provide a high level overview of how capital expenditure, capital financing and treasury management activity contribute to the provision of services; an overview of how the associated risk is managed and the implications for future financial sustainability.

# Capital Programme Planning Process

The Capital Programme is a key component in assisting the Council to deliver its three well-being objectives:

- To improve the well-being of children and young people.
- To improve the well-being of all adults who live in the county borough
- To develop the local economy and environment so that the well-being of people can be improved

In order to assist in delivering these objectives the Programme prioritises a number of key areas:

- Maintenance of existing capital assets. This work is prioritised using the various Asset and Risk Management Plans in place
- Regeneration of the County Borough. Great emphasis is placed on this area and the subsequent benefits investment brings in relation to the economy and jobs. The Capital Programme allocation is used as a means of leveraging in external funding in the form of grants and private sector investment to ensure maximum benefits to the citizens of the County Borough
- Disabled Facilities Grants. These are seen as a key driver in ensuring that people can remain living in their own homes for as long as possible.
- Transformation Initiatives. Transformation of services such as the 21<sup>st</sup> Century Schools Programme are delivered via prioritised capital investment.

The Council <u>does not</u> enter into or incur capital expenditure funded by borrowing for purely commercial reasons i.e. with the sole intention of making a profit.

#### **Governance Arrangements**

Delivery of the Capital Programme is overseen by the Council's Capital Programme Steering Group (CPSG) under the chair of the Chief Finance Officer. The group consists of a number of Heads of Service and other Council officers and meets regularly to consider progress along with any emerging pressures.

An updated version of the Capital Programme is formally approved by Cabinet and Council on a quarterly basis as part of the Council's budget monitoring and scrutiny arrangements.

## Future Financial Sustainability

The revenue implications of Capital Spending plans are incorporated into the Council's Forward Financial Planning process. The cost of borrowing (principal and interest) to finance spending plans are calculated using prudent assumptions around interest rates to ensure they are affordable. Any revenue implications for Service's as a result of capital investment decisions are built into the Medium Term Financial Planning process as budget 'pressures'.
