3. The cost of mandatory relief is met by the non-domestic rate pool. The cost of discretionary relief is shared between the pool and the local authority, as follows:

“Top up” of Mandatory Relief

25% is met by the pool;  
75% is met by the local authority

5. The following are the current criteria for discretionary relief:

- (a) that each application be treated on its merits;

- membership of the organisation must normally be open to all sections of the community, and membership rates must not be set at a level which excludes the general community;

- it is accepted that reasonable restrictions may be placed on membership in relation to, for example, ability in a sport,

achievement of a standard in the field covered by the organisation, or where the capacity of the facility is limited;

- favourable consideration will be given to applications from organisations whose objectives are in line with the authority's 'Well Being Objectives';

- top up relief will not normally be granted to charity shops or housing associations;

- top up relief will only be granted to an outreach facility provided by a college in a deprived ward, subject to excluding those wards within the main population centres;

- rate relief will not be granted in respect of any area of an organisation's premises which are operated as a licensed bar and ancillary areas (e.g. cellars).

(c) that, having regard to the guidelines at (b) above, the types of organisation listed below in (e), will be granted 20% top up discretionary relief or 100% only relief, as appropriate.

- 209 accounts received mandatory and discretionary rates relief costing the authority £189,551.43
