The draft AGS also provides details on the assurances taken during the year on the effectiveness of our governance arrangements.
4. The council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, that

public money is safeguarded and properly accounted for and is used economically, efficiently and effectively.

5. The draft AGS forms part of the Statement of Accounts and reports on the extent of the council's compliance with its principles and practices of good governance, including how the council has monitored the effectiveness of its governance arrangements in the year ending 31st March 2023.
6. The draft AGS also contains:
 - An update on the progress made during 2022-2023 against the improvement areas that were identified during the development of the 2021-2022 AGS (Table 1 on page 74).

7. The work undertaken to develop the draft AGS will also be used to inform the council's annual Self-Assessment for 2022-2023.
