REPORT OF THE DIRECTOR OF ENVIRONMENT

SECTION A – MATTER FOR DECISION

Recruitment of Head of Property and Regeneration

1. Purpose of Report

To seek Member approval to advertise the post of Head of Property and Regeneration.

2. Proposal

Following the recent promotion to Director it is proposed to advertise the vacant Head of Property and Regeneration post. The salary range for the post is currently £68,439 to £75,279 and this sum is already provided for in the Directorate Budget.

This is a key role to ensure the realization of the Council's Improvement Plan objective 'Prosperity for All' and to ensure that appropriate leadership is in place for the Property and Regeneration services.

It is the intention to advertise the post internally only in the first instance, and that through internal appointment, potentially achieve savings through deleting post(s) elsewhere as a contribution to the Council's budget saving agenda.

The post will be advertised on the Council intranet site.

3. Recommendation

It is recommended Members APPROVE the recruitment to the Head of Property and Regeneration Post as set out in this report.
