**Report Title – Miscellaneous Grant Fund Application (Tonna  
Carnival Committee)**

Purpose of the Report

To seek Member approval in relation to a grant application received.

Background and Financial Impacts

The Council has a Miscellaneous Grants Scheme to support individual applications for grants in line with the criteria set out below:-

Existing Policy Statement

- Each application will be considered on its merits.
- The Committee will only approve applications for financial assistance from voluntary or charitable organisations which are manifestly committed to voluntary endeavours of a local nature. This will not preclude the consideration of applications where the disposal of funds is outside the area but still provides significant benefits for

the people from the Neath Port Talbot area.

- No applications will be considered from religious bodies except relating to church halls and other premises where there is significant community use of the property for non-religious activities.
- No applications will be considered from other public funded bodies such as community councils, hospital trusts, etc. or where the benefit may be in lieu of their contributions such as appeals for hospital equipment.
- Applications from individuals may be considered where both the person and the community derive a benefit.
- No grants will be made to any individual or organisation whose prime purpose is to distribute their funds to other charitable bodies.

#### Details of application

Grant Assistance has been requested by Tonna Carnival Committee, on a one off basis, to assist in the provision of a community carnival which is held on the last Saturday of June each year. The Committee rely solely on fundraising throughout the year by organising community events. No entry fees are charged in order to make the Carnival accessible to all, and encourage local businesses to trade on the day, to try and support community businesses. Local clubs, such as dance troupes, Karate clubs, Ukulele bands, and drama clubs are also welcome to hold displays to advertise what they have available to the local community. Any profits made are re-invested into providing other events to benefit the local community.

The Carnival organisers faced a last minute requirement to put in place traffic management arrangements which were not included in any of the costings for the carnival hence this one off request for a miscellaneous grant.
