**Service level agreement for the provision of HR services to Secondary
Schools 2023-2025**

Purpose

To provide NAASH representatives with a draft service level agreement for the provision of HR services to Secondary Schools within Neath Port Talbot County Borough Council. This draft is provided to promote discussion so that the general requirements for HR support can be agreed, as well as specific priorities for 2023-2025.

Background information

The HR team is led by the Head of People and Organisational Development, who reports directly to the Director of Strategy and Corporate Services . All key HR activities are planned and delivered in consultation with Corporate Directors and Heads of Service.

Head teachers will be aware of the financial challenges which the Council have faced over the last 10 years which has resulted in a reduction across the HR team. As a result of this, it is more important than ever that the work of the team is planned and focused on the priorities of service users to ensure that the available resources are used in a way that is most effective and where the team can add the most value.

Scope of services provided

The four HR teams, set out below, provide a range of workforce related services across the Council to a number of service users and stakeholders:

- Human Resources
- Training, Learning and Development
- Occupational Health & Safety Team
- Emergency Planning Team

Suggested priorities for 2023-2025

Suggested priorities are set out in the attached draft service level agreement. NAASH are asked to provide feedback in relation to the suggested priorities with a view to agreeing a programme of work for the HR team that will best support Head teachers in from 2023-2025.
