Report Author	Chris Moore
Finance Officer	Chris Moore
Legal Officer	Craig Williams

Background:

- 1.1 The SWWCJC was formally constituted on 13th January 2022. Carmarthenshire County Council is acting as the Accountable Body responsible for discharging the councils' obligations in relation to the South-West Wales Corporate Joint Committee (SWWCJC).
- 1.2 On 25th January 2022 the SWWCJC agreed that for 2022/23 a budget be set at £575k with the corresponding levy raised. Members were informed that there were four clear work streams of the Corporate Joint Committee, and each had been allocated £20k; the report set out that £140k had also been set aside for planning and programme management
- 1.3 Under the CJC terms and conditions, the Governance and Audit Committee have responsibility for approving the Statement of Accounts

or Annual Return. Therefore, on the 26th October 2023 the committee received and approved the Annual Return for the year ended 31 March 2023 for the SWWCJC. The return is presented to the Joint Committee for information purposes only.

Statement of Accounts 2022/23:

- 2.1 The Statement of Accounts in the form of an annual return, present financial information for the financial year 2022/23, as required by legislation. For joint committees with income and expenditure below £2.5 million, the requirement is that accounts are prepared in the form of an annual return. The Joint Committee expenditure of the SWWCJC for 2022/23 is £190.6k. Levies raised on the 4 constituent local authorities generated income of £575.4k. The Outturn in **Appendix A** shows an underspend of £384.8k against the budget with the balance being transferred to the SWWCJC reserve.
- 2.2 The main variances are:

2.2.1 The Accountable Body is underspent by £18.2k in respect of audit costs, due to minimal activity hence there is no requirement for an audit of a statement of accounts.

2.2.2 Governance and Internal Audit is underspent by £26.3k again due to minimal activity hence less Internal Audit work and Sub-Committee Support Costs & Expenses from Pembrokeshire County Council.

2.2.3 Support Services is underspent by £59.2k as the Senior Accountant post has not been filled due to the requirement not being needed yet.

2.2.4 The Regional Management Office is underspent by £125.2k mainly due to the Business Manager post not been filled until June 2022, Consultancy and Specialist Adviser work has not been commissioned and Translation Services were used minimally.

2.2.5 The Provision for Contingency/Reserves was therefore not needed.

- 2.3 A reserve has been set up for the £384.8k.
- 2.4 No Annual Governance Statement has been produced for 2022/23 due to not being required.

Annual Return:

- 3.1 For joint committees with income and expenditure below £2.5 million, the requirement is that accounts are prepared in the form of an annual return. The Joint Committee expenditure of the SWWCJC for 2022/23 is £190.6k.
- 3.2 The Annual Return, in **Appendix B**, is split into the following sections:
 - Accounting Statement 2022/23 including a statement of income and expenditure / receipts and payments and a statement of balances.
 - Annual Governance Statement.
 - Committee approval and certification.
 - Annual Internal Audit report.

Financial Impacts:

The financial statements attached have been prepared in accordance with proper accounting practice.

- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.

- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental, and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals.'
