<p>Prevention - how the initiative will prevent problems occurring or getting worse</p>	<p>X</p>		<p>The proposal will reduce the rate at which the building will deteriorate in condition and appearance. It will also contribute towards reducing the rate at which the overall appearance of Neath Town Centre deteriorates in condition and appearance. Potentially the people that use an area will treat it better, in terms of reduced rates of vandalism, graffiti and litter, if they consider the quality of their environment to be good or improving. By providing refurbished commercial/employment space the scheme will support the vibrancy and vitality of the town centre, encouraging it's use</p>
