DIRECTOR'S ANNUAL REPORT 2022-23

Purpose of Report

The purpose of this report is for Members to note the work undertaken throughout Social Services and to adopt the Director's Annual Report 2022-23.

Background

The purpose of the annual report is to set out the local authority's improvement journey in providing services to people in their areas, those who access information, advice and assistance, and those individuals and carers in receipt of care and support. Under the new requirements of the Social Services and Well-being (SSWB) Act, the report needs to demonstrate how local authorities have promoted well-being and accounted for the delivery of well-being standards.

The former reporting requirements for Directors of Social Services in part 6 of the "Statutory Guidance on the Role and Accountabilities of the Director of Social Services" (Welsh Government June 2009) have

been replaced as a consequence of both the SSWB and Regulation and Inspection of Social Care (Wales) Act 2016.

The requirements are that every local authority must produce an annual report on the discharge of its social services functions and the report must include:

- an evaluation of the performance in delivering social services functions for the past year including lessons learned (Part 8 Code on the role of the director);
- how the local authority has achieved the six quality standards for well-being outcomes (in a code about measuring social services performance made under s145 of the SSWB Act 2014);
- qualitative and quantitative data relating to the achievement of well-being outcomes (also set out in the code on measuring performance);
- the extent to which the local authority has met requirements under Parts 3 and 4 of the SSWB Act as set out in separate codes covering assessing needs and meeting needs;
- objectives for promoting the well-being of people needing care and support and carers needing support for the following year including those identified by population needs assessments under section 14 of the SSWB Act;
- assurances concerning:
 - structural arrangements enabling good governance and strong accountability;
 - effective partnership working via Partnership Boards;
 - safeguarding arrangements;
- the local authority's performance in handling and investigating complaints
- responses to any inspections of its social services functions an update on Welsh language provision;
- how the local authority has engaged people (including children) in the production of the report.

- b) The misuse of drugs, alcohol and other substances in its area; and
- c) Re-offending the area"

There is no impact under the Section 17 of the Crime and Disorder Act 1998.

Violence Against Women, Domestic Abuse and Sexual Violence Impacts

Section 2(1) of the Violence Against Women, Domestic Abuse and

Sexual Violence (Wales) Act 2015 introduced a general duty where a person exercising relevant functions must have regard (along with all other relevant matters) to the need to remove or minimise any factors which:

- (a) increase the risk of violence against women and girls, or
